

## Fall 2021 Precalc Lesson 4.1

Dr. O'Brien  
Herbert H. Lehman High School  
28 February 2022

### Today's activity

Dr. O'Brien 2/28/22

Do now...Get out your notebook/binder. Read through the Be Sure  
Tos for today's activity.

Be sure to...

1. Pick up your graded quiz.
2. On a sheet of loose leaf paper. For each multiple choice question you got wrong...
  - a. Write down the question number.
  - b. Compare your answer to the answer key (on Google Classroom).
  - c. Explain why the correct answer is the correct one in a complete sentence.
3. For the free response problem:
  - a. describe each mistake you made in a complete sentence.
  - b. Compare the two ways of finding the values for the variables (Gauss-Jordan and back substitution). Which do you prefer? Why?

class: precalc goal: quiz corrections/Gauss-Jordan elimination practice

2. because teh variables equal signs, and so on don't really matter when we're doing gaussian elimination.

Dr. O'Brien 2/28/22

### B24 rules

Welcome to our new room, B24! Please read the information below:

1. When you come in, please find a seat at a desk (if one's available) or one of the six closest desks to the screen. **Do not sit in the back of the classroom.** We'll conduct the do now and mini lesson from here.
2. When I dismiss you for independent work, find a sit at one of the computer workstations.
3. **No food or drink by the computers.**
4. At the end of the period, you'll be directed to assemble for the exit ticket/debrief. Log out of your computer, and **quietly** return to a seat near the front.
