

Spring 2022 Python Lesson 12.5

Dr. O'Brien
Herbert Lehman High School
29 April 2022

Do now

Be sure to...

1. Find your assigned seat (ask Dr. O'Brien if you're not sure).
2. Make sure the vocab item below is copied in your **Python glossary**.
3. Work for **first five minutes** at a volume 0!!!!

List comprehension

A way to create a new list using elements of an old list.

Work day

be sure to:

- A. Find your seat
- B. Read through the Weekly goals to the right and the framing below.
- C. Copy the vocab in your notes (if it's not there already)
- D. Begin work! Raise your hand quietly if you have any questions

List comprehension

A way to create a new list using elements of an old list.

Weekly Goal:

- A. Complete up through **unit 9**
- B. After, that complete **Python word game: Part 1**

wrapping up!

be sure to: read the directions below!

1. Make sure there isn't any litter near your workstation.
2. If you borrowed headphones, sign them back in.
3. **Make sure you are logged out of your computer!**
4. Remain in your seat until the bell rings.

Cell phone distro

be sure to: Carefully read the directions below

- a. Students will receive their phones at the end of 9th period and 10th period.
- b. Students without a phone may leave class immediately. All other students should remain seated. Once a student collects their phone, they should exit the classroom.
- c. Students must show their ID, program, or a notebook with their name on it to receive their phone.
